

2022-2023 Academic Year Spring Semester Undergraduate Programs Accepting Transfer Students

Master's Programs With Thesis

Architecture
Bioengineering
Computer Engineering
Chemistry Engineering
Environmental Engineering
Industrial Design
Mathematics
Molecular Biology and Genetics

Interdisciplinary Master's Programs With Thesis

Biotechnology
Desing Studies
Polymer Science and Engineering
International Water Resources

2022-2023 Academic Year Spring Semester Doctoral Degree Programs with Bachelor's Degree Accepting Transfer Students

Doctorate Programs

Bioengineering
Chemistry Engineering
Mathematics
Molecular Biology and Genetics

2022-2023 Academic Year Spring Semester Doctoral Degree Programs with Master's Degree Accepting Transfer Students

Doctorate Programs

Architecture
Bioengineering
Chemistry Engineering
City Planning
Computer Engineering
Environmental Science and Engineering
Mathematics
Molecular Biology and Genetics

Interdisciplinary Doctorate Programs

International Water Resources
