DOCTORAL DEGREE PROGRAMS ON A BACHELOR'S DEGREE OFFERED FOR 2022-2023 ACADEMIC YEAR SPRING SEMESTER AND PROGRAM-SPECIFIC APPLICATION REQUIREMENTS

Find below the program-specific application requirements and evaluation criteria and methods for the 2022-2023 Academic Year Spring Semester.

Candidates who are in their last year and who will be able to graduate until the registration deadline can apply as well.

For the applicants who graduated from an undergraduate program abroad, the name of their undergraduate programs might not match exactly with the same program names listed in the graduation requirements section below. However, the Department to which the application is made reserves the right to accept or reject the application in terms of the program name and/ or degree program of the applicant.

Under the Law on the Protection of Personal Data (KVKK), it is required that applicants must give express consent for an online interview and/or online written examination. For those candidates who do not give express consent for an online interview, a written assessment will be held in the presence of an invigilator at IZTECH (at the date and time of the online interview). And for those candidates who do not give express consent for the online written science exam, a face-to-face written science exam will be held at IZTECH (at the date and time of the online science exam). Information regarding the exact place of these face-to-face written assessments and/or science exams will be notified in the online application system.

Information about online exams will be announced on the Department website of the related graduate program.
