

Welcome

On behalf of Izmir Institute of Technology, it is my pleasure to welcome you to our campus as you beginning your education as a grad student of IZTECH.

Graduate degrees are more valuable than ever; At IZTECH, we focus on providing the knowledge and skills that will make you unique in your field. Our graduate programs emphasize academic excellence, innovation research and supporting mentoring.

I encourage you to make the most of opportunities such as Technopark and innovation center that will enrich your academic studies.

Best wishes for a succesful academic year.

Dean of Graduate School
