

# **2023-2024 Academic Year Spring Semester Undergraduate Programs Accepting Transfer Students**

## **Master's Programs**

Architecture  
Bioengineering  
Chemical Engineering  
Electronics and Communication Engineering  
Environmental Engineering  
Industrial Design  
Mathematics  
Material Science and Engineering  
Molecular Biology and Genetics

## **Interdisciplinary Master's Programs**

Biotechnology  
Design Studies  
International Water Resources  
Polymer Science and Engineering

# **2023-2024 Academic Year Spring Semester Doctoral Degree Programs with Bachelor's Degree Accepting Transfer Students**

## **Doctorate Programs**

Bioengineering  
Chemical Engineering  
Mathematics  
Molecular Biology and Genetics

# **2023-2024 Academic Year Spring Semester Doctoral Degree Programs with Master's Degree Accepting Transfer Students**

## **Doctorate Programs**

Architecture  
Bioengineering  
Chemical Engineering  
City Planning  
Environmental Science and Engineering  
Mathematics

Material Science and Engineering  
Molecular Biology and Genetics

**Interdisciplinary Doctorate Programs**

Energy Engineering  
Industrial Biotechnology  
Medical Biotechnology  
International Water Resources
