

2024-2025 Academic Year Fall Semester Undergraduate Programs Accepting Transfer Students

Master's Programs

Architecture
Bioengineering
Chemical Engineering
Electronics and Communication Engineering
Food Engineering
Industrial Design
Mathematics
Material Science and Engineering
Molecular Biology and Genetics

Interdisciplinary Master's Programs

Biotechnology
Design Studies
Energy Engineering
Polymer Science and Engineering

2024-2025 Academic Year Fall Semester Doctoral Degree Programs with Bachelor's Degree Accepting Transfer Students

Doctorate Programs

Bioengineering
Chemical Engineering
Mathematics
Molecular Biology and Genetics

2024-2025 Academic Year Fall Semester Doctoral Degree Programs with Master's Degree Accepting Transfer Students

Doctorate Programs

Architecture
Bioengineering
Chemical Engineering
Electronics and Communication Engineering
Food Engineering
Mathematics

Material Science and Engineering
Molecular Biology and Genetics

Interdisciplinary Doctorate Programs

Industrial Biotechnology
Medical Biotechnology
