APPLICATION TO DOCTORATE PROGRAMS ON A MASTER'S DEGREE OFFERED IN 2024-2025 ACADEMIC YEAR FALL SEMESTER AND PROGRAM-SPECIFIC APPLICATION REQUIREMENTS

Find below the program-specific application requirements and evaluation criteria and methods for the 2024-2025 Academic Year Fall Semester.

International applicants who do not have an ALES/GRE score are advised to check out the conditional GRE information on:
<https://lee.iyte.edu.tr/en/graduate-application/applications-to-ph-d-programs-with-a-masters-degree/>

Detailed information about online exams will be announced on the Department website of the related graduate program.

Candidates who are in their last year and who will be able to graduate by the registration deadline can apply as well.

For the applicants who graduated or will graduate from an undergraduate program abroad, the name of their undergraduate programs might not match exactly with the program names listed in the graduation requirements section below. However, the Department to which the application is made reserves the right to accept or reject the application in terms of the program name and/ or degree program of the applicant.

Candidates enrolled in or graduated from a Non-thesis Master's program before 06/02/2013 can apply for the doctoral programs.

Under the Law on the Protection of Personal Data (KVKK), it is required that applicants give express consent for an online interview and/or online written science exam. For those candidates who do not give express consent for an online interview, a written assessment will be held in the presence of an invigilator at IZTECH (at the date and time of the online interview). For those candidates who do not give express consent for the online written science exam, a face-to-face written science exam will be held at IZTECH (at the date and time of the online science exam). Information regarding the exact place of these face-to-face written assessments and/or science exams will be given in the online application system.
