

Master's Degree Programs Accepting Transfer Students for the 2026–2027 Academic Year Fall Semester

Thesis Master's Programs

Architectural Restoration
Bioengineering
Civil Engineering
Chemical Engineering
Materials Science and Engineering
Mathematics
Molecular Biology and Genetics

Interdisciplinary Thesis Master's Programs

Biotechnology
Energy Engineering
Polymer Science and Engineering

Doctoral Degree Programs with Bachelor's Degree Accepting Transfer Students for the 2026–2027 Academic Year Fall Semester

Doctorate Programs

Bioengineering
Chemical Engineering
Mathematics
Molecular Biology and Genetics

Doctoral Degree Programs with Master's Degree Accepting Transfer Students for the 2026–2027 Academic Year Fall Semester

Doctorate Programs

Bioengineering
Chemical Engineering
Mechanical Engineering
Materials Science and Engineering
Mathematics
Molecular Biology and Genetics

Interdisciplinary Doctorate Programs

Energy Engineering
Industrial Biotechnology
Medical Biotechnology
